Reading Professor

Faster And Better Reading

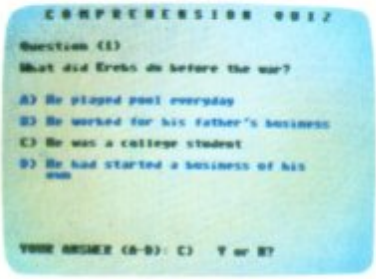
Reading with speed as well as comprehension is important in today's world. Students need to keep up with coursework. Professionals must stay knowledgeable in their field.

Keeping up with everchanging events requires constant reading. The READING PROFESSOR can help increase your reading speed while improving your comprehension.

Increase the amount of information you read in one focus of your eyes with the Scales exercise.

Increase peripheral vision with the Ladders exercise.



Test your comprehension at the end of each lesson.

Main Features of Reading Professor:

- Ten twenty-minute lessons give information and practice which increases reading speed and comprehension.
- Automatic upgrading of lesson speed.
- Seven proven exercises which can be practiced independently of the lessons: Timed Reading, Scales, Phrases, Tachistoscope, Ladders, Stretching, and Depths.
- Immediate feedback after lessons and exercises.
- Choice of reading passages during exercises.
- Three libraries — high school, college and adult, and professional — each with 32 interesting passages from a variety of sources.
- Individual profile report that automatically keeps track of your progress.

Required Hardware: Commodore Plus/4, Commodore disk drive.
